Current Good Shepherd Scholarship guidance requires tuition for the 2024/2025 school year to be set at a minimum of \$2,400 or 45% of the cost of education. Barring unforeseen circumstances, by moving to this new tuition model we are hopeful that future tuition increases past the 2025/2026 school year will be closer to 5% per year.

An additional fee will be assessed to kindergarten students to cover the cost of a daily snack
