# From the Principal

Dear St. Michael families,

What a joy it has been for me to be back at school! I have thoroughly enjoyed reconnecting with students and meeting so many new students and families. Your children impress me every day. St. Michael School is such a special place to learn and grow in our Catholic faith and I feel blessed to get to be a small part of it again.

With the end of the school year comes many field trips and special events. We couldn't have these off-site experiences without the many volunteers who give of their time to shuttle and supervise students. Thank you! We are grateful.

Upon returning to St. Michael School after a field trip or at the conclusion of a special event at school, we kindly request that students remain at school, in their classrooms, until the end of the school day at 3:15pm. The end of the day is an important time for teachers and students to draw learning time to a close, make announcements, gather homework and belongings, and pray together. We understand that it may be more convenient for parents to take students out of class early but would greatly appreciate your support in minimizing disruptions to the school day.

Blessings,

Sue Braun  
Interim Principal
