

St. Michael Janet's Jungle Plant Sale 2021

Frequently Asked Questions:

Q: Are we selling seeds or plants?

A: We are selling plants that are ready to be planted, and some that are expertly arranged and ready to be displayed.

Q: Where are the plants grown?

A: The growers are from Lincoln, two are from Iowa (Pella and Red Oak) and one is from northwestern Missouri.

Q: What percentage of the sales goes directly to St. Michael Parish?

A: St. Michael Parish retains 30% of the retail value all of the plants and 25% of the "Hanging Baskets" and the two "Patio Planters." St. Michael will receive 100% of any donations contributed in lieu of or on top of the plant purchases.

Q: What will St. Michael Parish do with the funds raised from the plant sale?

A: The monies raised from the plant sale will support the operational budget of the church and school. The SFA will direct additional income at the end of the 2020-2021 school year.

Q: Do the buyers need to come and pick up their plants on May 8?

A: The buyers or anyone the buyer designates need to come and pick up the plants on May 8 from 9am-12pm.

- Plants not picked up by 12:30 pm on 5/8 will be considered a donation.
- Students *may* offer to pick up and deliver plants for their buyers but that is not an expectation. This task may be difficult or frustrating for students' families to accomplish. We suggest you only offer this service under rare circumstances.

Q: How can we find out if anyone has made an online purchase under "my name?"

A: Janet's Jungle does not post student names on their website to protect students' privacy and security. We know that it is important for students and their parents to know if a friend or neighbor is supporting their efforts. If you would like a listing of a student's sales, you may email jennymedinger@hotmail.com to receive a report. All efforts will be made to respond to requests quickly and in the order they are received. Thank you in advance for your patience and understanding.

Q: What if I run out of order forms?

A: Three options: Check with the school office for extra available forms (*good*), photocopy more order forms (*better*); a link is on the school website, or direct your customer to the website to place their order (*best*).

Q: How do I direct buyers to our online page?

A: Refer them to www.janetsjungle.com and search under our school, or photocopy and share the QR code sheet found on our school website.
