From the Principal

Greetings St. Michael Families,

Welcome to the Lenten season. Pray, Fast, Give! May God give us hearts hungry to know, love, and serve Him more completely this Lent. Students will have an opportunity every Friday to pray the Stations of the Cross. We are looking forward to the 8th grade's Living Stations on Wednesday, March 27th.

We will soon begin the process of making class assignments for next year. We approach this important decision in a very thoughtful and systematic manner, taking into consideration a variety of factors in developing class lists. Our first priority, as we make assignments, is to provide an optimal learning environment for all students. We strive for equitable, compatible, and balanced classes that take into account range of ability (heterogeneous grouping), gender, learning styles, and personality. We also look carefully at peer and social interaction patterns.

Final class assignments for the 2024-2025 school year will be made over the summer by team leaders, teachers, and administrators after extensive input and discussion. Class lists will be shared with parents and students via a summer email. Waiting to inform families allows us flexibility to place students. If you would like to provide input into this process, please complete the form linked [here](#) by May 1st.

Please note that due to the many factors that must be considered when making class assignments, I ask that parents not make specific teacher requests. The demands associated with achieving balanced classes make it difficult to honor all such parent requests. Please also know that not providing written input on the form provided, will have no effect on the care given to each child's placement.

As always, the families of St. Michael School remain in my prayers.

+Blessings,

Ashley

I did not receive enough rib patties. *PK, kindergarten and first grade will be having French toast sticks.*

Hopefully that will give us enough ribs for the rest of the kids.
