From the Principal

December 2, 2022

Dear Parents and Students at St. Michael School,

As we begin this Advent season, I look forward to preparing our hearts and homes for Christ's birth. It is a time for us to join together in prayer, reflection, music, and good deed, to remind us of the true meaning of the season.

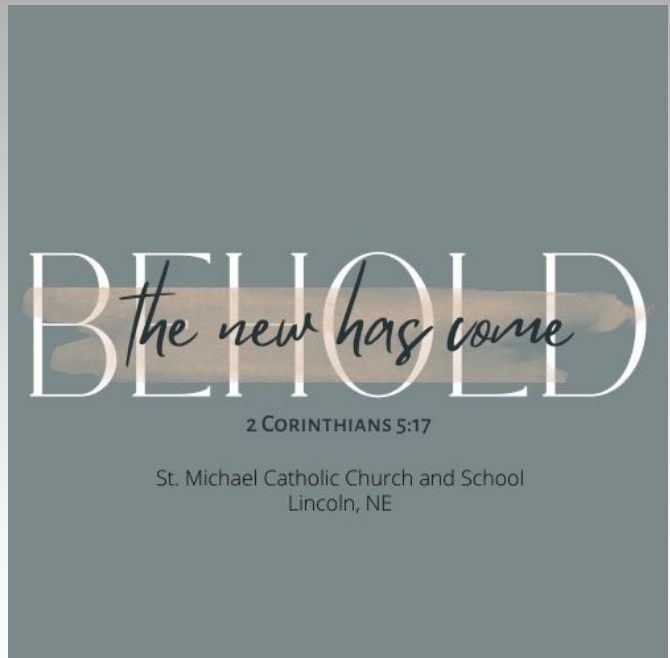

Parents, I encourage you to ask your child(ren) how they grew in the virtue of humility throughout the month of November. We have been practicing putting others first and doing so with love. Love for God, Jesus our Savior, and love for one another. Ephesians says, "I urge you to live a life worthy of the calling you have received. Be completely humble and gentle; be patient, bearing with one another in love." Let us remember the humility in little, helpless baby Jesus and that this is how we each begin our earthly journey, totally reliant upon others for everything.

Our new virtue, throughout the month of December will be patience. Patience is waiting or enduring without complaint. Patience is one of the twelve fruits, or perfections, that the Holy Spirit forms in us. If the fruit of patience is truly alive in us, we can control our emotions when something disagreeable happens and respond with calm instead of anger, dismay, or irritation. In times of great suffering, the virtue of patience can be a tremendous witness to the God who always responds to our prayers. This Advent season we are reminded to always; "Rejoice in hope, be patient in tribulation, be constant in prayer." Romans 12:12

It is my hope to see many of you at our December 15th Christmas Program. As always, it is truly an honor and privilege to be your principal.

+Advent blessings,

Ashley Rockey
