

## “ABIDE IN ME”

July 13, 2023

Dear Friends of St. Michael School,

We pray this message finds you and your family well this summer. We, the St. Michael School Family Association, in union with St. Michael school staff, are dedicated to the development of the spiritual formation, academic excellence and stewardship with the framework of the Gospel. This continues to be an exciting time for our school and church, as we embark on our first full academic year, post construction.

The St. Michael School Family Association (SFA) offers sponsorship opportunities to drive awareness and recognition of your business within our community, to help support our school. We are scheduled to host several exciting and highly attended events again throughout the year, where we feature our generous sponsors. The support of our sponsors during this last academic year had a tremendous impact on our students and staff. Due to the generosity of our sponsors, we were able to provide St. Michael students and staff support through additional technologies, building equipment, faculty recognition, as well as, maintaining nursing and mental health service professionals for an additional school year.

For this coming year, we are dedicated to meeting the needs and growth of our students and staff. While needs and initiatives can change, because of your generosity, SFA is able to support school leadership with the ability to be flexible and make quick decisions. Our current plans for the 2023-2024 year include the following:

- **Technology Resources:** We helped supply cutting-edge interactive screens in all classrooms to facilitate learning and teaching experiences.
- **Building and Maintenance Equipment:** With the full addition of our church, there is more area to keep up with – this year, we are adding a floor scrubber as well as a basket lift. We are also contributing interior hallway security cameras and enhancing our outdoor playground.
- **Fellowship:** This year we are supporting retreats for both students and staff, that will enable them to focus on their spiritual, personal, and professional growth. Our support for faculty recognition activities like Teacher Appreciation Week, staff lunches, and Catholic Schools Week, will also continue.
- **Classroom Solutions and Curriculum:** We continue to focus on updating curriculums and learning tools at different levels for the school and this year will be no different, as we will be updating our reading and religious curriculum.
- **Teacher Bonuses:** We coordinate and supplement parental Christmas bonus contributions to make St. Michael teacher compensation more competitive.

We are writing on behalf of the St. Michael SFA to invite your organization to be a part of our support effort, to help us continue the next great era of St. Michael School, by kindly considering a sponsorship to help promote our mission. The attached document outlines the sponsorship tiers for the 2023 – 2024 academic year, as well as the recognition and benefits your organization will receive.

We would be happy to speak with you further about this opportunity. Katie can be reached at [katiemach3@gmail.com](mailto:katiemach3@gmail.com) or 402-480-1274 and Adam can be reached at [machadam77@gmail.com](mailto:machadam77@gmail.com) or 402-310-8227. To meet deadlines for the upcoming year, we are requesting your response by August 1, 2023. Thank you for your consideration and your support!

With gratitude,

Katie and Adam Mach, St. Michael School Family Association
